

WELCOME

Thank you for serving as a Texas Mother-Friendly Outreach Partner! The Texas Department of State Health Services has prepared this Outreach Partner Toolkit to provide all the materials you will need to educate organizations in your community about the benefits to employers of worksite lactation support programs and becoming a designated Texas Mother-Friendly Worksite. This toolkit contains:

- Texas Mother-Friendly Thumb Drive with downloadable outreach resources, including:
 - Customizable PowerPoint Presentation
 - Correspondence Templates
 - Communications Resources
- Outreach Partner Guide with suggestions for engaging organizations that have influence with employers in your community.
- 25 Texas Mother-Friendly Worksite Brochures to distribute.

We appreciate your support!
